

Additional informations

Languages

The official languages for the Symposium will be French, Spanish, Portuguese, Italian and English. Simultaneous translation will be guaranteed for French, Spanish and Italian.

The communications can be contributed as posters or oral communications. Speakers can contribute in any of the official languages, but they are invited to present all projected illustrations (Tables or Figures) in English. All authors should send two summaries of one page maximum each, one in English and the other in their mother language, to the scientific secretariat.

Publication of the contributions

The summaries of the communications will be edited and distributed at the symposium.

The Symposium Proceedings will be published under the auspicious of the International Centre for Advanced Mediterranean Agronomic Studies (CIHEAM). The publication languages of this review are English or French. Author instructions will be sent in due time to each participant submitting a communication (poster or oral communication).
