

A Review of the Industrialisation of Pig Production in Asia

A Review of the Industrialisation of Pig Production in Asia
Ranald D. A. Cameron B.V.Sc., M.V.Sc., Ph.D

A Review of the Industrialisation of Pig Production Worldwide with Particular Reference to the Asian Region

A REVIEW OF THE INDUSTRIALISATION
OF PIG PRODUCTION WORLDWIDE
WITH PARTICULAR REFERENCE
TO THE ASIAN REGION

Focus is on identifying the animal and human health risks
and
examining the Asia-wide integration concept
of specialised pig and livestock activities.
